The ^{8pt} reasons for recommending the
grant of an 8pt allowance in
the case of Mr. Mascarenhas are not
clear.

N 4) In this connection the discussions
in the file A181-46-4 are for perusal.
(Paras 12 to 15).

It has been made clear
that only reasonable expenses should be
borne by Govt, in respect of such
deputations.

5) The D.G.S. has been merely stated
that Mr. Mascarenhas has submitted a bill
for Rs 686-6-3 supported by vouchers, and
that, therefore it is necessary to sanction
the entire amount. He has not specified
whether the claim is reasonable
or not.

requested to state whether the claim
preferred by Mr. Mascarenhas is reasonable
or not, and also to send the bills

SIR,

Subject: GRANT OF WARM CLOTHING ALLOWANCE TO MR.C.B.

With reference to your letter No.SD.1433 dated 24th August 1948, regarding the above, I write to forward herewith for information the report dated 20-9-1948, submitted by Mr.C.B.Mascarenhas and received through the Chief Secretary to Government. It is seen therefrom that he has preserved a portion of the warm equipment purchased by him and is willing to place the same at the disposal of Government. These may perhaps be got surrendered and disposed of, crediting the sale proceeds to Government.

As regards the expenditure of Rs.107-8-0 for which no vouchers have been produced, I am of opinion that the same may be allowed in the circumstances explained by the official.

I request early orders of Government in the matter.

Subject:- Grant of warm clothing allowance
to Mr. C.B.Mascarenhas.

With reference to letter No.C2-7716/47-48 dated, 3-9-1948, from the Director of Food Supplies, enclosing a copy of letter No.S.D.1433 dated, 24.8.48 from the Secretary to Government, Food and Civil Supplies Department, on the subject mentioned above, reference is invited to Memo No.A1-54/45 - Encl:2 dated, 18.12.1945 of the Director of Food Supplies placing me on deputation in Baluchistan, Sind and the Punjab. Nothing has been stated therein regarding the final disposal of the warm equipment sanctioned to me.

Practically everything that I bought was of a permanent quality which has not been used by me since my return. Except for such articles as socks and stockings which were out and one or two which were stolen from me at Shikarpur during my travels, all the warm clothes, suitcase, etc., have been preserved by me and are at the disposal of Government.

Regarding the serge coat and flannel trousers to the value of Rs.107-8-0, for which vouchers have not been produced, I beg to state that constant travelling in this vast and difficult territory made it impossible for me to preserve every bit of paper which was literally bursting out of my baggage.

If my certificate in respect of these items is not acceptable, I am a bit bewildered at the enormous powers conferred on me ^{during my deputation} i.e. to certify grain worth
